SC Homeowners Program Overview

About Coastal Risk Underwriters

Coastal Risk Underwriters, LLC (CRU) is a Program Manager and Wholesale Broker providing specialty personal and commercial property and casualty insurance products. CRU is committed to offering insurance products designed to meet your clients' needs.

We are proud to offer this program through our partnership with Occidental Fire & Casualty Company of North Carolina (OFCCNC). A.M. Best's Financial Strength Rating for OFCCNC is A- with a Stable outlook.

CRU uses state-of-the-art risk management tools and patent-pending technology (developed by its parent company and affiliates) that enable insurance companies, agents and brokers to select and price risks carefully and better manage catastrophe exposures.

At CRU, we realize that your clients rely on your expertise to choose the best products for their insurance needs. We also understand the time it can take to find a suitable company and products to meet those expectations. Our underwriting team has the experience, knowledge and excellent relationships with quality carriers to assist you in fulfilling your clients' needs. In addition, CRU has revolutionized the agent/broker experience, bringing cutting edge technology to both the carriers and agents/ brokers with whom we work. Our Agent Portal and Decision Support Services and Underwriting Platform lead to better execution, save time and are extremely easy to use.

About Occidental Fire & Casualty

OFCCNC, established in 1961, meets the insurance needs of diverse customer niches including personal automobile and homeowners insurance. In 2008, homeowners and farmowners lines accounted for 14 percent of OFCCNC's total direct written premiums. OFCCNC writes property and casualty policies in all 50 states.

OFCCNC is an integral part of IAT Reinsurance Company Ltd., an insurance holding company with substantial financial strength, rated A- by A.M. Best.

The South Carolina Homeowners Program is offering HO-3, HO-4 and HO-6 coverage statewide, including resort islands.*
